

DOWNERS GROVE MUSIC CLUB APPLICATION FOR MEMBERSHIP

The Downers Grove Music Club (DGMC) is a community music service organization fostering a commitment of excellence through music education and high quality musical performances within the west suburban chicagoland community. The DGMC supports various educational programs and open-to-the-public musical performances throughout the year at no cost to the community. In addition to these events, each season the DGMC sponsors community piano and string festivals. Believing that education is paramount to the development of young musicians, the DGMC offers music scholarships to local deserving high school students. All scholarships are funded through DGMC dues and through generous donations from DGMC benefactors.

We invite you to join the Downers Grove Music Club and to participate at any level within the organization. New members have all the rights, privileges and obligations of the club. We encourage membership from both performing and non-performing members. We strongly encourage all performing members to contribute to at least one performance per season, as they are able. There are also many non-performing activities for which we rely upon help from our members. We encourage members to complete an annual member survey as part of their club participation indicating how he/she wishes to participate that year. All members, whether performing or non-performing, are encouraged to participate in and support all DGMC activities.
